

LON CHANEY HERE MONDAY IN PHANTOM OF THE OPERA

"The Phantom of the Opera" is Universal's most ambitious production, surpassing in every way even "The Hunchback of Notre Dame." It will be shown at the Pictorium Monday and Tuesday.

The Paris Opera House, one of the largest and strangest buildings in the world, was completely reconstructed for its making.

These sets are the largest ever made. No studio was large enough to hold them; special buildings had to be built for them.

The interior of the opera house, with five tiers of balconies and boxes, stage 100 by 70 feet, grand foyer, grand staircase, and the five cellars beneath are among the features reproduced.

Lon Chaney, starring in the role

of the "Phantom," spent three months experimenting with the unusual make-up he used. It required three hours every day for its application. By his contract, no photographs of it could be published before the release of the picture.

The flooding of the five cellars below the opera house required the tunneling out of a mountain by miners and engineers brought from the Pikes Peak mines in the Sierras.

Camera technicians built special cameras with new type lenses in order to secure special effects.

The fall of the 16,000 pound chandelier from the ceiling of the opera house upon the audience 100 feet below is the ultimate in thrill and production ingenuity.

Tom Mix is here now in "The

"The Deadwood Coach," a big western.

ELECTRICIANS STRIKE NOT TO
BE FOLLOWED BY LABORERS

Vera Cruz, Nov. 20—(AP)—A proposed strike of electricians in the state of Vera Cruz will not be countenanced by the other labor bodies. This announcement was made today by the state labor arbitration commission, which asserted that the strike would be illegal as it would seriously interfere with the economic life of the state and city by paralyzing all trades using electricity for light and power.

ELECTRA TIGERS SEEK
THANKSGIVING GAME

Electra, Nov. 21—Electra High School officials have not been able to match a game for the Tigers for Thanksgiving Day. However, they are confident that opponents will be secured for the local club, and the squad is being sent through a stiff work-out each day. Coaches are trying to match the Tigers with the Burk Burnett Bulldogs or the Plainview High school team.

THE PONY EXPRESS IS DUE HERE NEXT MONDAY

Here it is—"The Pony Express"—a titanic epic masterpiece in which James Cruze recreates with spectacular effect and superlative craftsmanship another memorable chapter in the glorious history of the making of America.

"The Pony Express" which is to be at the Vernon, Monday and Tuesday, is a vivid cross-section of those unsettled, turbulent, pre-Civil war days when the fate of our nation trembled in the balance; when the slavery question was a burning issue and tremendous forces were marshalling on both sides preparatory to splitting the Union asunder; when the lightning riders of the Pony Express were the only means of communication between the warring rings of civilization in western Missouri and the new and mighty empire on the Pacific, which had leaped to the forefront of importance by the discovery of gold.

Distinguished, indeed, is the cast he director has assembled for the "Pony Express." Betty Compson, Ricardo Cortez, Ernest Torrence and Wallace Beery portray the principal roles with a whole-souled sincerity and zeal that throws a glamor of reality over their respective performances. And the thousands of supporting players give an excellent and satisfying account of themselves.

"The Pony Express" is one of the supreme screen achievements—an enduring motion picture classic that epitomizes the heroic spirit of the frontier West.

LOWA MEETS SOUTHERN
CALIFORNIA ON GRIDIRON

Los Angeles, Nov. 21—(AP)—Southern California was a house divided against itself as football fans gathered at the Coliseum today to root for both the University of Southern California gridiron teams and an opposing team from the University of Iowa, from which state most Southern Californians are said to come.

Whatever advantage the Iowans might have in weight was expected to be offset by the warm weather and the physical condition of the players. Wesley Fry, fullback, had an injured ankle while R. E. Romey, end, had a leg injury.

INCREASE IN ALCOHOLIC
CONTENT OF BEER SOUGHT

Washington, Nov. 21—(AP)—Increase in the alcoholic content allowed in beer from one half to one percent to 2.75 per cent will be sought by an amendment of the Volstead Act to be proposed again at the coming session of Congress by Representative Jyer, republican of Missouri. The proposal was defeated last session in the judiciary committee.

RECORDS SHOW PEGGY JOYCE SEEKS DIVORCE

Paris, Nov. 21—(AP)—Court records show that Peggy Joyce introduced a demand for a divorce from her fourth husband, Count Morner, some weeks ago.

Following the usual procedure the magistrate sent both parties summons to appear before him in "reconciliation proceedings."

Count Morner, failing to appear, the court registered a document establishing "non-reconciliation." Proceedings show that a divorce decree follows registration of such a document automatically within sixty days.

Upon her arrival in New York yesterday, Miss Joyce denied any intention of divorcing Count Morner. She remarked she was as much in love with her husband "as any woman is after two years of married life."

OVERCOAT FOR WHICH PEAK NAMED BACK AFTER 28 YEARS

Wenatchee, Wash., Nov. 21—(AP)—Washington State Forest Supervisor Sylvester has received the weatherworn remains of an overcoat which he left on the summit of Overcoat Peak in the Cascade Mountains 28 years ago. The garment was forwarded to him in an envelope.

Sylvester said he left the coat buttoned around a rock for use as a signal when he completed surveying in that region in 1897. The peak was named from the coat.

SOCIETY

MISS ALGER IS HONOREE AT PRETTY SHOWER FRIDAY

Miss Evelyn Alger was the surprise honoree at a very pretty shower given Friday night at the Odd Fellows hall at a regular meeting of the local Rebekahs.

Some one had whispered that Miss Alger was soon to be the bride of Bill Latham of Electra, so other officers of the lodge arranged the shower. Miss Alger is vice grand of the local lodge.

Under good of the order the noble grand, Mrs. Lillian Bell, ordered a

chrysanthemum drill and eight of the Rebekahs carrying flowers, each gave a march which ended in front of the vice grand's station where they held the flowers to form an arch. At a prearranged signal, the doors of the ante room were opened and Mrs. E. H. Lewis accompanied by little Misses Jeanette Naylor and Frances Coleman entered. The little girls carried a large basket decorated in the Rebekah colors of pink and green and filled with many beautiful gifts. They passed through the arch of flowers and placed the basket before Miss Alger, where the presentation was made. At the conclusion of the drill, the Rebekahs gave the flowers to Miss Alger.

SUNDAY SCHOOL CLASSES ENJOY SOCIAL THURSDAY

Members of the Blanche Groves Sunday school classes enjoyed a very delightful social Thursday evening at the Baptist Church. These classes consist of three groups of 14-year-old girls and their teachers, Mrs. Lee Shirley, Mrs. Henry Hays, and Miss Ruth Theben.

The evening was spent in games, at the close of which refreshments were served to the following: Misses Gertrude Seale, Maureen Leak, Inelle Powell, Verlene Stringer, Natha Bowers, Faye Harris, Margaret Shultz, Alberta Wolfe, Mary Lula Houston, Fannie Clark, Naomi Cana-fax, Bessie Smith, Faye Theben, Lola Hall, Katherine Dickens, Faye Clark and Ruth Theben; Messrs. Jarrell Buchanan, Roy Norworthy, and Collier Parish, and to Mrs. Ed Theben and Mrs. Henry Hays.

Will Attend Conference. Miss Izora Clark, head of the home economic department, of the Vernon High School, left Friday night

for Dallas where she will attend the state conference of vocational teachers, which meet there, November 22, to 26. Miss Clark is on the program. She will spend the week-end with her sister, Miss Della Clark, in Fort Worth, and they will spend Thanksgiving at the College of Industrial Arts at Denton. Miss Izora is a graduate of that college.

Irish Women Senators Lose.
Dublin, Nov. 21.—(AP)—There were four women senators in the last parliament and now there are none. Only two women M. P.'s are now left in Ireland. Mrs. Collins O'Driscoll, a sister of Michael Collins, is the only woman member of the Dail, and Mrs. Macmordie, an alderman of Belfast City Council, sits in the Northern Parliament.

OUR WELFARE BUDGET

Probably next week a budget will be named for the Wabarger Welfare Association for the ensuing twelve months. It now seems that a total fund of \$5,000 will be sought, in order that the enlarged demands for welfare work may be met. The rapid increase in population, the development of the oil fields and other conditions make the need of additional funds acute. As a city grows, for some reason, the need for welfare work increases more rapidly than the population increases.

The budget which will probably be sought is considerably larger than has ever been asked for in previous years, but in proportion to the need, and measured by the ability of the people to pay, it is no larger than in former years.

The question is often asked as to what is given in other cities. Various amounts are asked for in other cities, but so far as The Record is able to discover, the budgets vary from \$1 per capita up to twice that amount in some cities. The Dallas community chest budget is \$506,576, Beaumont raised \$80,000, Houston \$450,000, Fort Worth \$290,000, San Antonio \$428,000, Wichita Falls \$55,000 and Amarillo \$25,000.

In some instances these budgets represent about \$2 for each inhabitant of the city, while in others it is as low as \$1 per capita. If the budget of \$5,000 is fixed for Vernon it will be far below the ratio of these other cities, population considered. Vernon has a population to draw subscriptions from of at least 10,000, counting those who live outside the city limits and residents of the oil field districts.

This means that about 50 cents for each inhabitant will be asked. Of course, one of the reasons that high budgets are necessary in larger cities is because it is necessary to maintain a salaried organization for the administration of welfare work. No one connected with the local Association receives one penny in compensation. No money is spent for expenses of any kind. All money contributed goes directly into the main purpose of relieving suffering and need among those who are worthy applicants.

Vernon people should raise the amount asked for welfare work without a moment's hesitation. The Record believes that the response will be worthy of the city when the appeal is made.

The voters of Waco will soon vote on a proposal to abandon the commission-manager form of government and return to the old aldermanic system, press dispatches from the McLennan County capital inform us. The petition asking for the election was signed by 1,200 citizens, according to the report, which also states that a spirited fight is expected.

It is too early to pass judgment on the issue raised at Waco. The opponents of the commission-manager form of government have not yet won their fight, and it would be idle to discuss the results until the votes are counted.

The fact, however, that in a city like Waco 1,200 people have asked for an election ordering a change is an indication that there is dissatisfaction with the commission-manager system of handling city affairs. It is not probable that an organization of such size could be perfected, a meeting held, a tentative charter worked out and all machinery set in motion for a vote on the question if

there were not a serious demand for a change.

The commission-manager form of government came into being as a natural development of the commission form of municipal government which had its birth in Galveston following the disastrous storm of a number of years ago which left the city in ruins. Heroic treatment was necessary, if the city was to be rebuilt. Politics was laid aside and the biggest business men of the city were called to public office. The success of the plan there led to its adoption by other cities and now it is in general use throughout the country.

Des Moines, Iowa, added the manager idea to the commission plan, if memory is not at fault, and this scheme, like its predecessor won instant favor. But each of these systems has its advantages and disadvantages. They more nearly approach the ideal in the theory of city government than any other system. Either system is good, and, on the whole, The Record believes the commission plan better than the old aldermanic form of city government.

But the fact that the commission-manager form of government is good does not mean that it will always be successful. No system can be worth very much unless it is followed. It is possible to have good city government under most any kind of a system, but the chances are that good results will flow from a good system. The only drawback to the commission-manager system, if it is a drawback, is that its success depends upon the interest the people take in it. No system of government will function by itself. Nor will it function if turned over to incompetents to handle. It is likely that the Waco people were expecting too much. They possibly thought that incompetence and graft and the other ills could be banished by a change in their form of government. The only way to banish these is to change human nature.

EXPECT 30,000 PEOPLE AT TEXAS-A. & M. CLASH

College Station, Texas, November 21—Ample facilities will be provided for the care and comfort of 30,000 people at the Thanksgiving game at the A. & M. College of Texas. Plans have been worked out by the College officials and preparations are under way to provide adequate food and accommodations for all those who attend the famous football battle here that day.

LYCEUM GOERS LOOK FORWARD TO HARP NUMBER

Lyceum goers who enjoyed the first offering of the season are looking forward to the appearance of the Marco Harp Ensemble on Thursday evening, in the high school auditorium.

The program under the direction of Elena De Marco of the Chicago Conservatory, promises to be one of unusual variety and artistry. The ensemble includes three harps, piano, cello and violin and the wide range of repertoire takes into account every musical taste, since the numbers include the familiar melodies as well as the more technical classical pieces.

The two soloists, D. Dwight Harned, celloist and Martha Elgin, harpist, are artists whose extensive professional training and wide experience make their concert an outstanding musical achievement. Mr. Harned, besides being an accomplished celloist, is an exceptional pianist. Miss Elgin of the Oberlin Conservatory is noted by musical reviewers

for her technical ability and delicate total execution. Season tickets for the lyceum course are still available at the high school, City News Stand, Vernon and City Drug Stores.

I have a line of goods in the new block store at Condon Springs; the same as has been sold to the leading citizens of this country for the past forty years by me. Come in and see them. James Condon. 11-16p

LINES TO AN OLD WIFE

(By Record Staff Poet.)

Dear heart, the rose is faded from your cheek,

But lilies bloom there that are far more sweet,

The joyous sparkle from your eye is gone,

But love, steadfast and true shines ever on.

Not all the charms of beauty faded and rare

With thy sweet, gentle features can compare.

The storms of life have sprinkled silver threads

Until they far outnumber those of gold,

The children of our love, upon your breast

Found sweetest shelter in the years grown old.

Long fled, the laughing love of early years

Left us a more enduring tenderness,

All things abide which thou hast wrought for good;

What stays? The glory of your womanhood.

The snowy splendor of your hair love blest;

The warm white sweetness of your loving breast.

Your face so like some song that lives always

In hearts aworn, and needing its refrain;

The tracings on your brow are like fine lace

That long within sweet lavender has lain.

JACK BLANTON IS IN SCHOOL AT AUSTIN

Many Vernon friends of Jack Blanton, son of Mr. and Mrs. J. S. Blanton, will be glad to know that he is doing nicely in school in Austin, Texas.

The following letter was received recently by his parents:

"My Dear Mother and Father: How are you? I am well and I hope you are well.

"Two weeks ago my cousin came to see me. I shook hands with her. I was pleased when she asked me to go for a ride. We went to her home and enjoyed a nice supper. The follow-

ing afternoon, I returned to school. Tomorrow night the boys and girls will go to the picture show in the chapel and we shall be glad. Yesterday was Armistice Day and in the morning the boys and girls attended the chapel services here. Ten girls were very pretty. Mr. Buchanan talked to us about Armistice Day. He said, "Face the east and thank God for our soldiers and homes." Two girls sang songs and R. L. Davis led us in prayer.

"In the afternoon some of the boys went to the moving picture show. I went with them and we saw a funny man, Charlie Chaplin. He cooked an old shoe and a larger man who was

hungry ate it. I laughed at him for a long time.

"This afternoon the boys will play football with the Cameron boys. I hope our boys win. The third team will play the Austin Junior High school boys next Tuesday. I am on the third team and I want to win. A number of the boys went to Barton Springs last Sunday. We saw many interesting things, peacocks, doves, deer, squirrels, rabbits, parrots, and many other things. We shook many nuts out of the trees and ate them. I took a kodak picture of Lois McAlister and Robert Barton. It was a fine afternoon and we walked home. I want you to be careful with my bicycle and keep it in the house. Please send my old shoes to me. I like to write to you.

"Your loving son, Jack Blanton."

TEXAS BRIEFS

(By Associated Press)

Dallas—The Dallas-Denton interurban line showed a loss of \$12,002 in its operation for the first year, Richard Meritwether, vice president, announced last night. He attributed the loss to competition of jitney busses.

Dallas—Mrs. Kenigsley was internally injured last night when her automobile collided with a truck. Though her condition was critical today, physicians said she might recover.

Bryan—Ernest Garvin, negro, 50, was instantly killed here early today when struck by a passenger train at a grade crossing here.

Sherman—Three residences were burglarized in broad daylight in Sherman late yesterday afternoon. At each place a man in his shirt sleeves was seen emerging from the house by neighbors. The loot did not total a great deal.

Abilene—J. Y. Gilliland, 67, a native Texan, who had made his home in Callahan County since coming with the first band of adventurers who settled on the Bayou in the southern part of the county, died at his home at Baird Friday of acute pneumonia. He is survived by his wife and two sons. He is to be buried at Baird Saturday afternoon, with the Masonic Lodge in charge.

Waco—Examination of an unclaimed package in the Waco postoffice revealed that it contained two quarts of Gordin Gin, sent from an unknown St. Louis address to a Wacoan who could not be located. Postmaster McMahon is trying to decide what eleemosynary institution shall have it.

Waco—Fines totalling \$565 dropped into the federal court till here Friday in liquor cases. Two 30-day jail sentences were also a part of the days work.

Sherman—Word is expected this morning from Austin as to the final decision on the eligibility of Welch, star member of the Sherman High School football team, strong contender for the state championship. The interscholastic league committee will meet at 10 o'clock to make their decision on protests from Oak Cliff of Dallas who were defeated some time ago by Sherman.

Lubbock—Because attorneys for the plaintiff allege that jurors in the case were taken to view the scene of the disaster, jurymen in the recent case of J. W. Letinger vs. The Santa Fe Railroad for \$60,000 damage growing out of the death of his wife and baby on a grade crossing, have been summoned to court again. There is a possibility of the case being retried or a reversal of the decision which favored the railroad company.

Brownsville—Louis Cebolini, red-shirted under Garibaldi in 1860, will run for city commissioner after refusing the nomination for mayor. Jesse Bennett will run for mayor opposing the administration nominee, A. B. Cole.

Sherman—Grayson county farmers have been invited to attend a meeting of the Collin county farm bureau at McKinney next Tuesday. Officers will be elected. Clarence Dusley will be the principal speaker, it is announced.

GOVERNOR HAS NOT ASKED RESIGNATIONS

Austin, Nov. 21.—(AP)—Resignation of Frank V. Lanham and Joe Burkett, state highway commissioners, has not been requested by her, Governor Miriam A. Ferguson said today. Asked if the resignations had been requested or demanded, because of the confessed judgment of the American Road Company on excess profits, the governor ejaculated:

"Oh Dear—Oh Lord, No!"

Governor Ferguson did not appear disturbed by Moody's victory in the road suit which she sought to have thrown out of court by attempting to intervene for the state.

COTTON.

New Orleans.

New Orleans, Nov. 21.—Cotton futures opened steady, December 19.35; January 19.12; March 18.67; May 18.47; July 18.14.

Spot cotton closed steady, fifty-six points up. Sales 4,714; low middling 17.7; middling 20.37; good middling 21.7 for December and 20.07 for January, closing at net gains for the day of 55 to 70 points.

The cotton market opened active but weak, notwithstanding better Liverpool cables. First trades showed a loss of 14 to 22 points and prices eased off further right after the call, December trading down to 19.35, January 19.12 and March 18.67. The selling represented final liquidations in advance of the government report due at 10 o'clock. Prices rallied a few points toward the end of the first half hour on profit taking by satisfied shorts but the undertone remained soft. New Orleans cleared this morning 21,227 bales for England and the Continent.

The government report issued at 10 o'clock proved a great surprise, the crop estimate of 15,298,000 bales being smaller than looked for and the ginnings total 12,249,935 much smaller than expected, as a result prices promptly soared 97 to 106 points above the figure ruling just before the report was issued. Sentiment was bearish during the first hour of trading prior to the bureau and at the lowest levels reached. December traded at 19.00, January at 18.90, and March at 18.50.

As the highest prices reached after the bureau December traded at 19.10, January at 19.08 and March at 18.69 or 106 to 119 points above the low of the first hour. Prices eased off 28 to 36 points later on realizing but rallied again near the close, making new highs at 20.13.

New York.

New York, Nov. 21.—(AP)—Cotton futures opened steady, December 21.35; January 19.40; March 19.38; May 19.02; July 18.70.

The cotton market was lower in today's early trading, under a renewal of pre-bureau liquidation and Southern hedging.

Liverpool was relatively steady, but overnight selling orders were sufficient to prevent a response in the local market and active months showed net losses of 11 to 21 points, January selling at 19.31.

The decline was checked by covering at these figures, but prices showed rallies of only 3 to 4 points from the lowest at the end of the first hour.

Except for hedging and some trade pricing, trading consisted chiefly of further evening up of accounts in preparation for the government report.

Before the government report was issued January declined to 19.15 losses of about 25 to 35 points on the general list but the reduction in the official crop forecast from 15,388,000 bales brought in heavy buying. The

ginning of 12,249,935 bales was regarded fully in line with reduced estimates of the yield and stimulated buying on the advance which extended to 20.19 for January in the late trading. That delivery closed at 20.13 for January in the late trading. That delivery closed at 10.10 with general market closing strong at net advances of sixty to 74 points.

GRAIN.

Chicago.

Chicago, Nov. 21.—(AP)—Climbing prices in the wheat market today quickly outdid yesterday's topmost figures. Particular strength was shown by the July delivery, which went to a new high price record for the season. The volume of trade was the largest that has been witnessed in a long while, and was characterized by a general purchasing movement based almost entirely on reports indicating substantial reductions of the wheat yield in Argentina as compared with what has been looked for. The opening, 1 1/2 to 3 1/2c higher, new style, December 1.61 1/4 to 1.62 and May 1.57 1/4 to 1.58 was followed by material further gains.

CLAIM BRITISH SUBMARINE STRUCK SWEDISH STEAMER

London, Nov. 21.—(AP)—Loss of the monitor submarine M-1 with 62 crew last week, now appears to have been due to a collision with a Swedish steamer, the admiralty announced today.

Information sent by the steamer Vidar, now at Stockholm that it felt a shock at the time and in the vicinity of the submarine's disappearance, leads to the conclusion that the Vidar was struck by the M-1 which sank immediately.

CLAUDE STATE BANK ROBBED SATURDAY

Amarillo, Nov. 21.—A young man walked into the Claude State Bank of Claude, Texas, during the noon hour today when only one employee was in charge, drew a revolver, scooped up all the currency in sight, then calmly drove out of town in a small motor car headed for Amarillo, according to meager reports to the sheriff's office here. No estimate of the amount of the loot was given.

GIRL FOOTBALL TEAMS PLAY 6 TO 6 TIE

San Jose, Calif., Nov. 21.—(AP)—Two girls football teams played to a six to six tie here yesterday. Each team made a touchdown but on the try for point by place kick, neither was able to get the ball off the ground. The teams were drawn from the gymnasium classes of San Jose State Teachers' College. Regulation football rules applied although officials did not penalize offside and holding.

One side scored on a forward pass that was carried over the goal line. The other team sneaked into the back field of the opposing team, one of its players who grabbed the ball on the pass back from center, turned around and ran for a touchdown. The play was allowed by the referee.

Queen Beautiful of High School Crowned Friday

The Empire of Vernon High School has a new queen today. Friday night, after a long and impressive ceremony at the Vernon Theater, Prince Minister W. T. Lofland placed the jeweled crown upon the head of Princess Mabel of the House of Eudition and proclaimed her Queen Beautiful of all the Empire of Vernon High School.

One of the most formal ceremonies ever witnessed in Vernon preceded the crowning of the queen. The dukes and duchesses of the Kingdom of Freshman, Sophomore, Junior and Senior preceded the queen to the stage. Then following the blast of trumpets, Princess Mabel appeared,

escorted by the gallant King Wilfred of the House of Crouch. It was announced that the crown-jewels of the Queen Beautiful will be made an annual affair.

BUILDING PROGRAM OF 1925 LARGEST IN HISTORY

Chicago, Nov. 21—(AP)—The year 1925 will record a \$5,000,000,000 building program, the largest in the history of the United States, say Herbert Nelson, executive secretary of the National Association of Real Estate Boards.

His statement is based on a real estate index prepared by the national association covering 41 cities. A more favorable money market and a marked desire on the part of the American people to obtain better living conditions he assigns as the cause. A striking feature of the index is a marked increase in the sales and population of farm lands throughout the nation.

FRANKLIN TO WRITE HISTORY OF CITY SCHOOLS

W. A. Franklin, principal of the Vernon High School, is gathering historical data regarding the Vernon school for the purpose of writing an historical review of the city school system. He has mailed out a number of letters to old-timers of the county asking for all available information on the schools of Vernon.

The letters asks questions regarding the date of the founding of Vernon, name of the first school teacher, the number of pupils and teachers, description and location of the building, date of the organization of the Vernon School District and names of the first trustees.

The principal requests all who know anything of the history of the Vernon school system to get in touch with him.

VERNON FOOTBALL FANS TO SEE COYOTE GAME

Vernon football fans are showing considerable interest in the district title clash between the Coyotes and the Amarillo Sandstorms. Many have arranged to have business in Wichita Falls Saturday afternoon.

Dousters favor the Wichita Falls club, but late press reports state that the Coyotes will enter the game without the services of Powell, Moore and Steed, the three stars that Wichita Falls has displayed this year. If these reports are authentic, the Coyotes are doubtless in for a sound drubbing, as these three youngsters are practically the whole thing in Wichita Falls' grid machine, and without their service, the Coyotes will be helpless.

WOMAN'S CLUB TO MEET TUESDAY WITH MRS. BLAIR

The Woman's club will meet Tuesday afternoon at the home of the president, Mrs. C. M. Blair, on Paradise street.

MAKING FRIENDS

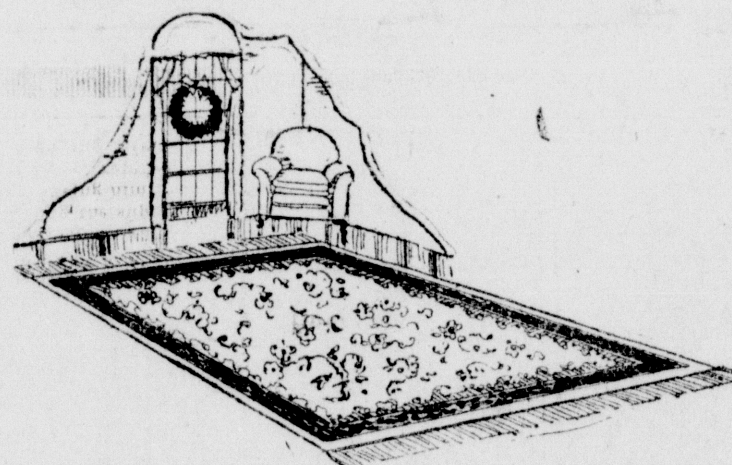

It has been said that the only way to make real money in the used car business is to tell them "as is." That may be a good way to make money—for a short time—but it is not a good way to make friends. We figure that if we get the friends, the profit will take care of itself.

Visit Our New Store

The carpenters and bricklayers and painters and plasterers and electricians are gone, and we now have one of the most attractive furniture stores in Texas. We want you to pay us a visit.

But attractive, as our store is, our furniture is even more attractive. We had to work over an old store building. It was not like starting with a new structure. The manufacturers from whom we buy our furniture don't have to work over old designs, and the result is that our showing of house furnishings really outshine our splendid new home.

THE GIFT THAT ENDURES

Furniture is described as the Christmas gift that endures. The Christmas shopping period is here. Make your selections now, while stocks are complete. A small deposit will reserve your selections.
